Dear Mr. Borowski:

RE: Tentative AIP Grant No. 3-12-0144-001-2010, Valkaria Airport

This letter is a response to your request concerning the status of Valkaria Airport's federal grant under the Airport Improvement Program (AIP) Part "A".

The grant was originally programmed into our financial system on February 23, 2010. As of today, the grant has not gone through all the necessary review steps in order for the FAA to finalize and issue the grant. The grant will be issued once these steps are completed. Apart from this grant, a total of about 25 other airport grants are currently pending showing the same status in our system.

The FAA recommends for the Brevard County / Valkaria Airport to take the necessary provisions in order to review, sign the grant and mail it back to the FAA Orlando ADO office by no later than Friday March 26, 2010.

Sincerely,

"Original Signed By"

Pedro J. Blanco
Program Manager
